**Expansion / New CEO**

30-Sept-2021

Dear partners and supporters,

Over the last 8 years *HFA* has seen a continued increase of requests for aviation and technology solutions, by our partners, missions and ministries.

The harvest is truly ripe and we look to the Lord of the harvest for the future, while making some adjustments to further expand the organisation.

These are the next steps as determined by the Board:

- Robert Lister has been appointed as new CEO beginning 1-October.
- Hans Kummer (current CEO) will relocate to Europe and step into the newly created role of *HFA* Ambassador / Program Coordinator to expand *HFA* on the international stage.

Our mission remains the same:

*The purpose of Hope From Above Inc. is to help bring the gospel to unreached and inaccessible people groups, overcoming their isolation through aviation and technology, where no other alternatives are available, and without which, these people would remain unreached.*

We continue in our God given vision 'To declare God's glory among the nations, his marvellous deeds among all peoples', and I thank you for your kindness and support over the past 8 years.

As co-founder and CEO, I feel tremendously blessed to handover the leadership in Australia to my friend and much appreciated co-worker Robert. I look forward to seeing how God will use Robert to further expand his Kingdom and I wish Robert God's blessings and His very best!

Please welcome Robert at: [robert@hfa.org.au](mailto:robert@hfa.org.au)

In the meantime, I look forward to my new role with *HFA* in Europe, and to working with Robert and his excellent team. My contact remains: [hans@hfa.org.au](mailto:hans@hfa.org.au)

Blessings and with much appreciation,

Hans Kummer  
CEO
